ABOUT US

Originating from Malappuram and Kottayam, the founders crossed paths at the Rajiv Gandhi National Institute of Youth Development, Sriperumbudur, while pursuing their MSc in Applied Psychology. What began as an ordinary friendship gradually evolved into a shared vision for human growth and wellbeing, laying the foundation for Deeply Giving.

DEEPLY GIVING

DEEPLY GIVING

HI, I AM DIL

I'm not always the person with the most to say.
Somehow, life put me next to someone who could probably fill all my silence with words.

HI,I AM GOPI

I'm a little unpredictable, even to myself. And apparently, I found someone who was willing to figure that out along the way.

ONLY NOW, WE'RE BUILDING SOMETHING WE BELIEVE IN, TOGETHER.
